## **Consolidated Rental Car Facility (CRCF) Chicago Midway International Airport**

*Addendum*

The City of Chicago Department of Aviation has issued an Addendum on the following bid package:

Consolidated Rental Car Facility (CRCF)  
Chicago Midway International Airport

Specification No.: 87030

RFQ Number: 3469

Estimate Between: \$50,000,001.00 and \$80,000,000.00

Description: The facility consists of a five-story Garage and a Quick Turnaround Area (QTA). The Garage includes a Customer Service Facility (CSF) where rental customers transact business with the rental agencies. The QTA consists of a building housing offices and wash bays. Fueling islands will also be constructed for customer convenience. This facility will be constructed within the guidelines of the CDA's Sustainable Airport Manual (SAM).

New Bid Opening Date: - Friday, September 10, 2010 at 11:00 AM

~ ~ ~ ~

The Chicago Department of Aviation (CDA) is self-supporting, using no local or state tax dollars for operations or capital improvements at O'Hare and Midway International airports. Together, Chicago's airports generate more than \$45 billion in annual economic activity and create 540,000 jobs for the region. Please visit [www.flychicago.com](http://www.flychicago.com) to learn more about the Chicago Department of Aviation.

The CDA continues to incorporate and expand sustainable initiatives for airport planning, operations and maintenance, concessions and tenants in accordance with the CDA Sustainable Airport Manual (SAM), released in August 2009. To view case studies, lessons learned and new technologies, and for more information on the SAM, please visit [www.airportsgoinggreen.org](http://www.airportsgoinggreen.org).

The O'Hare Modernization Program (OMP), introduced by Mayor Richard M. Daley in June 2001, transforms O'Hare's airfield from an outdated system of intersecting runways into a modern parallel runway configuration. The program will reduce overall delays at the Airport by 79 percent, and bad weather delays by 95 percent. It will create 195,000 new jobs and \$18 billion in additional economic activity each year. Please visit [www.oharemodernization.org](http://www.oharemodernization.org) to learn more about the OMP.
